

iStation Instructions (Reading Program)

Open a browser and enter the following URL: <http://www.istation.com/support/downloadistation>

Once there follow the on screen instruction for downloading and installing. Instructions are as follows.

Download Istation

If you have purchased an Istation product and are ready to install, you are in the right place!

Before downloading the Istation application, please ensure your system meets or exceeds the minimum hardware requirements by reviewing the [technical information](#). Then click on the appropriate button for your system.

After the application installs on your computer, you may be prompted to enter the domain for your school. The domain is assigned by Istation, and it configures the application specifically for your campus.
